Accountkeeper completes QuickBooks program

Accountkeepers of San Diego has successfully completed the extensive certification course in the QuickBooks Professional Advisors Program. Kathy

Cazin, owner, offers accounting expertise and personal consideration to each of her clients and invites her fellow I-15 Diamond Gateway Chamber of Commerce members to visit her Web site for free accounting tips and sound business ideas that will make running a business simple and more organized. Accountkeepers of San Diego, which can be found at www.accountkeeperssd.com, also offers a 20% discount on Intuit products. “With one-fourth of the year over, are your accounting records in order?” Kathy asks. She can be reached at (858) 566-1501.
